Subject: Notice of Release of Reclamation Surety, Shaw Environmental, Inc. Lime Peak Quarry, M/049/0047, Utah County, Utah

Dear Mr. Parks:

With the approval of the permit transfer of the Lime Peak Quarry (M/049/0047) from Shaw Environmental, Inc. (Shaw) to Chief Consolidated Mining Company (Chief), Shaw is now released from any further reclamation responsibility at the site. Chief has provided an adequate reclamation surety for the project; therefore the Division has notified your bank to fully release the CDs that were being held for your reclamation surety. Enclosed please find your original reclamation contract for this project for your records/disposal.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Lead at (801) 538-5257. Thank you for your patience.

Sincerely,

Paul B. Baker
Minerals Program Manager
